Dear Mr. Gould

I am in receipt of your letter of August 13th in reference to "REVENGE OF THE DEAD" and the music there-
to supplied by General Music Corporation,
Gordon Zahler.

When it looked like we would sell the picture some months ago I contacted Gordon and got what the full price was - as was our agreement when he gave us the music in the first place.

Second of all, Atomic Productions is (or was) a Corporation State of California - now extinct, but well in force during the production of the film, I am not personally responsible.

Mr. Art Toll (Attorney) 9350 Wilshire Blvd., Beverly Hills will be handling the sale when it comes and Gordon Zahler's bill, in full, was turned over to him as part of the picture debt, some months ago.

sincerely

Edward D. Wood, Jr.
